

VistaSpan (FWVS)

VistaSpan Wide-Stretch Fabric

FabricWall's VistaSpan is a wide stretch fabric made of 100% polyester. The 126" wide fabric is available in white, black, grey and beige, making it perfect for ceilings or large wall applications.

Custom printing capabilities are available for a finished look on walls or ceilings. Combine VistaSpan with our fiberglass or polyester cores for sound absorbing solutions.

Some installations may require two layers of VistaSpan depending on room lighting, cross lighting and acoustic backing used.
